

Dear Parents/Carers

As we come to the end of Summer term and looking forward to the summer break, with cooler temperatures and some long-needed rain, please read at your leisure this terms Newsletter.

Beavers – They had a great term, with various visits and activities culminating in last weekend's District Sleepover at Hillside where the Beaver slept in a tent for one night only.

with plenty of fun activities.

Cubs – They too have had a great district Camp a couple of weeks ago, again blessed by scorching temperatures and plenty of sunshine. They've also had a busy term,

Scouts - Are gearing up for their summer expedition across the parched landscape of Sussex, whilst having an action-packed term of fun and activities.

Sections Restart – Subs increase

All sections will start afresh in September, with Cubs restart on 11th September and the Beavers and Scouts starting the day after.

The committee has thought long and hard, and due to ever increasing costs, they have decided to increase the Subscription Charges (Subs) each section pays for each term.

Beavers £35.00 - Cubs £37.50 – Scouts £40.00

Changing Banks

The committee has decided to move banks making it easier for our Treasurer to pay money in and speak to an actual person. Therefore, if you've paid you money directly into our Bank before, please hold-fire until we know our new Sort Code And account number!

More help required

As always, ALL sections need more help whether it's occasional parental help, a regular face on the parent rota, or better still, a more permanent helper ever week. If you can spare some of your time helping at your child's section evening, please contact any of the leaders

Fundraising next term

We have some rather exciting projects on the horizon, including the re-vamping of our Climbing Wall/Kitchen and Garden.
